Dear Ms. Duvall:

This is a final response to your December 12, 2018 Freedom of Information Act (FOIA) request to the Office of Inspector General (OIG), a copy of which is provided for your convenience. We received your request from OIG on December 19, 2018 and assigned FOIA case number 19-F-0434. We ask that you use this number when referring to your request.

The Defense Advanced Research Projects Agency (DARPA) a component of the Office of the Secretary of Defense (OSD), conducted a search of their records systems based on the information provided in your request. After thorough searches of the electronic records and files of DARPA, no records of the kind you described could be identified. Although DARPA has programs related to directed energy weapons, none involve testing on U.S. citizens or any other humans. We believe that these search methods were appropriate and could reasonably be expected to produce the requested records if they existed.

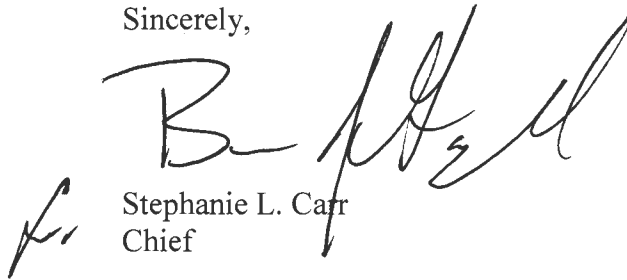

If you are not satisfied with this response, you may contact our OSD FOIA Public Liaison, Jim Hogan, at 571-372-0462 or by email at OSD.FOIALiaison@mail.mil. Also, please note that the Office of Government Information Services (OGIS) offers services to requesters who have disputes with Federal agencies. You may contact OGIS if you have concerns about the processing of your request. Their contact information is provided below:
